STRONGLY ENDORSE EDWARD STANWOOD

Neighbors Send Strong Testimonials to His Real Worth.

St. Helens, Ore., Oct. 29th, 1914.
To The Voters of Columbia County—

On account of the methods being used by some of the people who are opposing me in my candidacy as sheriff I feel that it is up to me to explain to the voters of this county some of the circumstances connected with my candidacy. Before the primaries last May there was a complete and thorough understanding and agreement between myself and the other candidates that whoever should win the nomination he would receive the support of the losers. It was a fair and square agreement and, as the primary campaign was a clean one it seems to me that this agreement should be observed. I will say that if I had been the loser that I could stand by that agreement and I believe that the people of the county should know these facts and that when they do I will receive the support that I am entitled to. As to any connection that I may have with any ring of politicians or any particular faction I will say positively to the people of this county, that such a statement is false. I have made no promises to any faction or ring and in fact have made no promises or other favors to any person on earth. I am as free to go into the office and conduct it according to my own ideas as is any man on earth. Can the other candidates for the office say the same thing, truthfully?

All I ask from the people of this county is to give me fair consideration and to remember that I am the one candidate for office of sheriff who has not held office in this county. I promise a fair administration of the laws and will give the people of the county the very best that is in me. If you can support me I will appreciate it and will show that I am free to act for the interests of the entire people.

E. C. STANWOOD.

Yankton, Oct. 26, 1914.

To the People of Columbia County:
As the election is only a few days off and there is one candidate for county office who seems to me to be not getting fair play I would like to ask you to print a few words about Ed Stanwood, who is running for sheriff. I know Ed Stanwood as a neighbor and friend. He is both a good neighbor and a good citizen. He has lived among us for many years and we know what he is and that he can be trusted. He went into the primary campaign and conducted a clean campaign and won out on his merits. He is now making another clean campaign without mud slinging or saying anything against any other candidates. But as there are some false rumors out against him it seems to me that we who know him best owe it to the public and to the voters of Columbia County to make a public endorsement of his candidacy. He is a trustworthy and honorable man, fully capable of filling the office of sheriff. He is entitled to the support of the republican party and the support of any voter who is not satisfied with the candidate of his party, for Ed is a good man and any confidence reposed in him will not be misplaced. He ought to be elected by a big majority. He is entitled to fair play, and I hope the people of the county will do their duty towards a good man and also towards an unfair method of trying to defeat such a man.

Yours for a square deal,
CHAS. T. BROWN.

Yankton, Ore., Oct. 26, 1914.

To the Editor:—

My friend and neighbor Ed Stanwood has received the nomination for sheriff by the Republicans of this county. There is being circulated some campaign stories that he is the candidate of some ring at St. Helens and I want to say to the people that I have been acquainted with Ed Stanwood for a number of years and I don't believe he is a ringster of any kind. He has always been a good citizen, worthy of confidence and if elected sheriff he will be just as free to perform his duties as any man in Columbia county, without taking orders from any ring or faction. An instance of his independence from ring methods was when I, as president of the Columbia County Fair, requested the Sheriff John to appoint Stanwood as a deputy sheriff to serve at the fair grounds for three days. Mr. John refused to do so for the reason that he had promised not to appoint any candidate for the office of sheriff as a deputy. I then went to the city marshal of St. Helens and had him appointed as a deputy city marshal. But this goes to show that Stanwood has no more pull with the present officers and is

as free from the charges of being lined up with any faction as is any other candidate. We who know Ed Stanwood best, can certify as to his moral worth. We know that he is a man capable of filling the office of sheriff. He is the Republican nominee and is worthy of support, any campaign stories to the contrary notwithstanding.

Yours for fair play,
G. L. TARBELL.

St. Helens, Ore., Oct. 27, 1914.

To the Editor:—

Being a firm believer in the Republican party, I do not deem it out of the way or officious to say to the people of Columbia county a few words about E. C. Stanwood, the Republican candidate for sheriff. I have known Mr. Stanwood ever since I have been a resident of Columbia county and have had many business dealings with him. I have always found him to be a man of his word and a man upon whom dependence could at all times be placed. He has proven himself to be a man of integrity and an industrious citizen. So far as I am able to judge from close observation I would also say that Mr. Stanwood is free from any political alliance that would in any way hamper him in his work as sheriff or that would place him under obligations to any particular faction or organization. I believe that he would serve the people of the county as sheriff to their entire satisfaction.

Yours truly,
WM. M. ROSS.

TRENHOLM NEWS

Mr. Wm. Woerner, youngest member of the Western Coöperage Co., left this week on a two weeks' visit to his home in San Francisco.

Mr. and Mrs. Gus Whitenbel and Mrs. Smith are home again after several weeks' in Portland.

Mr. Chas. Heir left for Aberdeen Sunday after a short visit here. Mrs. Heir accompanied him as far as Portland.

Miss Marie Heir was the victim of an accident last Saturday, when a can of hot tar exploded in her face. While not serious, Marie will not be able to attend school for awhile.

Clyde Heir leaves for Aberdeen this week to work for the Western Coöperage Company there.

The autumn foliage around Trenchholm is certainly beautiful at this time of year and anyone walking or driving among the hills cannot but at least cast an admiring glance at nature's glorious colorings.

Last Friday afternoon the school teacher, Miss Smith, invited the parents and friends to visit the school. A pleasing program was given and Mrs. Ketel gave a short reading. At Miss Smith's suggestion a Parent Teacher's Club was formed and following officers chosen: President Mrs. Ketel; secretary, and treasurer, Mrs. Kelly.

Several suggestions were put in the hands of a committee to be decided upon at the next meeting, Friday evening November 20.

64 X W. J. Fullerton for Representative of Columbia County.

If a majority of the voters of this county mark their ballots this way I will go to the legislature and work earnestly for the interests of the taxpayers and citizens of this county.

That I have the interests of the people at heart is attested by the record made of four years as deputy assessor of the county, when every property owner received a square deal at my hands.

You will also receive a square deal in the legislature if I go there to represent you. Practically all my life has been spent in this county and I am familiar with every condition and believe that I can serve you well.

Here is a brief outline of my platform:

PLATFORM.

"Taxes and appropriations are far too high. I will work constantly for a reduction of both.

"Good roads are an absolute necessity for the development of all parts of State and County.

"I am opposed to County bonded indebtedness for construction of State highways and believe the State should construct all inter-county trunk roads, using all auto license fees to aid in such construction.

"I believe the fishing industry on the Columbia river should be regulated and controlled by the federal government."

Have you seen any platform of the other candidates?

You know where I stand, do you know what the other fellows stand for?

Your vote will be appreciated.

No. 64 on the ballot.

W. J. FULLERTON.

WHY

YOU SHOULD VOTE FOR

BOOTH

Republican Candidate for
UNITED STATES SENATOR

Are you better off now than you were under a Republican administration?

Are you satisfied?

If you believe in the principles of the Republican Party, you are convinced that these principles are best for the country, then prove it by voting for your standard bearer, Robert A. Booth, Republican candidate for United States Senator.

You know that under Republican presidents the people of the United States have good times.

You know that under Democratic presidents you have Democratic times.

Remember the prosperity under McKinley, Roosevelt and Taft.

Remember the conditions under Cleveland and Wilson.

The issue in this campaign is not one of personality. It is one of non-partisanship. It is a question of whether you prefer prosperity under Republican administration.

Do you have enough work? Are your wages good? Is your business what you want it to be?

If you are satisfied with present conditions well and good; if you believe that the present situation is better than under McKinley, Roosevelt and Taft, you know what to do.

The way to bring prosperity is to help elect a Republican Senate. The Republican candidate in Oregon is R. A. Booth.

This is a Republican year. Vote the ticket straight.
